Elis to launch latest success products in GCC

Elis Pharmaceuticals Ltd. is participating at the PABME Exhibition on 20th April 2009 at Dubai International Convention and Exhibition Center, UAE.

Elis Pharmaceuticals Management is optimistic that this event is an excellent opportunity to network with professionals within the pharmaceutical and healthcare industry.

Mr. Rashed Assouma, CEO of Elis Pharmaceuticals, commented that the Elis Pharmaceuticals' exhibition stand is spacious enough to accommodate a large number of guests and visitors for Elis business presentations.

Assouma said:

'We will also be launching our latest breakthrough product, Clarastill eye drop solution that specifically prevents and treats cataract. Clarastill is manufactured in Italy and this drug will transform millions of patients' lives who currently suffer from cataract, which itself is leading cause of blindness in the world today - particularly in the third world countries. Another new Elis product being presented at the exhibition is Apeaz, a USFDA approved fast acting and powerful arthritis cream. This drug has the highest potency and tissue regeneration.'

Mr Assouma is confident that this event is the perfect platform for launching new CE and FDA approved products in the region.

Notes and Media Contacts

About Elis Pharmaceuticals:

Elis Pharmaceuticals Ltd is a generic pharmaceuticals company operating worldwide. It develops, manufactures, and markets globally a wide range of products more than one thousand formulations in various dosage forms including tablets, capsules, eye & ear drops, syrups, ointments, creams, injectables, diagnostics test kits, and medical disposals.

Elis pharmaceuticals serves drug wholesalers, distributors of generic drugs, ministries and departments of health, public, private and military hospitals, clinics and health systems. Its extensive product line emphasize on quality standards and conformity to B.P. and U.S.P. requirements. Its world class manufacturing facilities and its separate research and development department underpinned its success last year.
